

## Friends of La Conner Regional Library

**NEXT MEETING – 11:30 a.m., MONDAY, January 15**  
**La Conner Civic Garden Club**

### **A new year has begun!**

I am so glad to live in our corner of the northwest.  
I can go to the mountains for snow but not be snowed in at home.  
We hope you can join us for an always tasty potluck lunch  
followed by our meeting at the Garden Club.

### **Thrift Shop Update**

The interior and outside decorations of the Library Thrift Shop looked great again this year! THANK YOU to Linda Harlow, Marilyn Thostenson and Lynn McCain for the displays and Tom Fritzler for the outside lights. This was the end of our 5th year in business as the Thrift Shop and our best year yet! Come to the meeting and hear the financial details! Midge will be out of town until the end of February and Barbara Haar will be filling in

for her. Barbara's phone number is 360-466-2860.

Please remember to change the calendar if someone else is taking your shift to make sure the reminder call goes to the right person.

### **Hurrah for FOL Generosity!**

At our December meeting we passed the "Santa" hat for donations to the La Conner Sunrise Food Bank and combined with the November donations, raised the generous amount of over \$300. We received a very nice thank you letter.

I hope to see you on Monday!

Diane Fritzler, President
