

Director's Report – April 2017
Joy Neal, Director

Library:

Circulation for April 2394. Patron count was 2390. We had 282 uses of the computers. We made 17 new library cards. We had 100 people attend library programs.

We had Legos in the library on the 25th.

Tech nights were held on April 5, 12, 19, 26.

We had the State Library Ozobots (little robots that you code to do things with color marks on paper) for a couple of weeks. We loaned them to the school for one of their after school classes and the kids enjoyed them. Unfortunately, we didn't have anyone come in during Spring Break to play with them even though we advertised them.

National Library Week was April 9-15 and we gave out bookmarks and pencils to celebrate.

National Volunteer Week was April 23 – 29. We had a poster up with the names of all our volunteers with cookies out on the 26th.

Staff:

We had a staff meeting on the 26th.

Gem was scheduled to work on the 15th and became sick. She called me and I worked the last half of the day.

I worked the Kiwanis BBQ on the 2nd, 16th and 22nd. I worked with a gal who attended our Humanities program last month. She and her husband loved it. He collects radio programs so it was of particular interest to him. They are our patrons.

Community:

Attended the Kiwanis breakfast meetings on April 5, 12, 19 and 26.

I attended the Friends of the Library meeting on the 17th.

Other:

I attended the SIHRMA meeting on the 20th.

I worked with Sandra Kint from WorkSource to evaluate two of their classes—resume writing and interview skills. She had an in person panel, but they taped it for me since that was the day of my sister's funeral. I was able to give them feedback from the perspective of a small organization and that was helpful as they plan their training.
