

Friends of La Conner Regional Library

Next Meeting and Potluck Lunch – 11:30 a.m., Monday, November 19 La Conner Civic Garden Club

Giving Thanks:

For all of you who faithfully volunteer at least three hours a month to work at the store. Without your greeting and chatting up the customers, running the cash register, wrapping and bagging merchandise, etc., our store could not function. You are the best worker bees for our mission to support our library. You are the friendly faces of La Conner and Friends of the Library.

Thrift Shop Updates

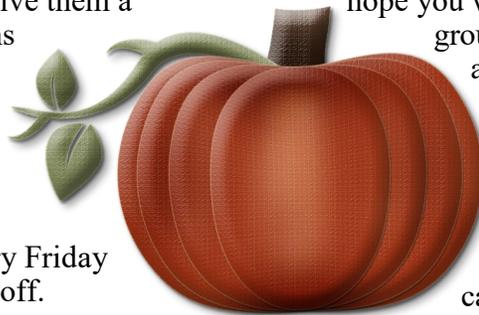

When a customer expresses interest in joining Friends of the Library or volunteering at the store, take down their name in the notebook Midge Hanson has provided at the desk. Midge or Barbara Haar will give them a follow up call. We have applications to join FOL in the spinner near the front door but just handing out a membership application is not as effective as a personal call.

Frugal Fridays!

We are trying something new. Every Friday all merchandise in the shop is 20% off.

Donations of Children's Books are Needed

Our shelves are pretty bare. If your grandchildren are grown and there are children's books sadly sitting on a shelf waiting for the next generation of readers, please donate them to the store. Some will be wrapped and gifted to needy children for Christmas.

Bring a Friend to Our Lunch Meeting

Recently I have talked to several people who have expressed interest in joining FOL. I am going to invite them to be my guest at our monthly potluck meeting. I hope you will do the same. It is easier to enter a new group when you have a buddy to introduce you around. We would love to see some new faces and hear some new ideas.

Holiday Giving to the Sunrise Food Bank

Once again this year we will be gathering your donations of non-perishable food and cash for the local food bank. We will have a basket for donations at the meeting on November 19 and at the December meeting as well.

Every little bit helps

Are you making purchases on Amazon? If you use smile.amazon.com and click on Friends of the La Conner Library, we will receive a small donation for every purchase.

**Looking forward to getting together on Monday, November 19, to
share our pre-Thanksgiving Feast.**

Joan Scarboro, President
